

**BEST AVAILABLE COPY****REMARKS**

Applicants gratefully note the Examiner's indication that the claims are considered to be in condition for allowance and that the only amendments required are of formal nature with regard to the specification.

Accordingly, applicants herewith submit the amendments inserting the required section headings into the specification in conformance with the U.S. patent practice, thereby meeting all of the conditions required pursuant to 37 C.F.R. §1.77(b) and 37 C.F.R. §1.77(c).

In view of the foregoing amendments, which are deemed to be fully responsive to the Office Action, the early issuance of the Notice of Allowance by the Examiner is earnestly solicited. However, in the event that the Examiner has any queries concerning the instantly submitted Amendment, applicants' attorney respectfully requests that he be accorded the courtesy of possibly a telephone conference to discuss any matters in need of attention.

Respectfully submitted,
